

A photograph showing two workers on the deck of a ship. They are wearing safety gear: white hard hats, blue and white high-visibility vests, and orange or blue work clothes. One worker is holding a large red core barrel that is suspended by a crane. The other worker is standing nearby, observing the process. The deck is green, and the sea is blue in the background. The text is overlaid in the top right corner.

*Дорогие коллеги!
Поздравляем вас с днем геолога!
Здоровья, удачи, отличного поля,
спокойного моря, открытий,
Хиришей и весеннего настроения!
До встречи на Школе!*

Академик А.П. Лисицын и Оргкомитет Школы по морской геологии
